

# Big Dreams and Visions need Big Solutions.

Jaroslav Šišolák, Slovak Football Association  
June 06, 2017

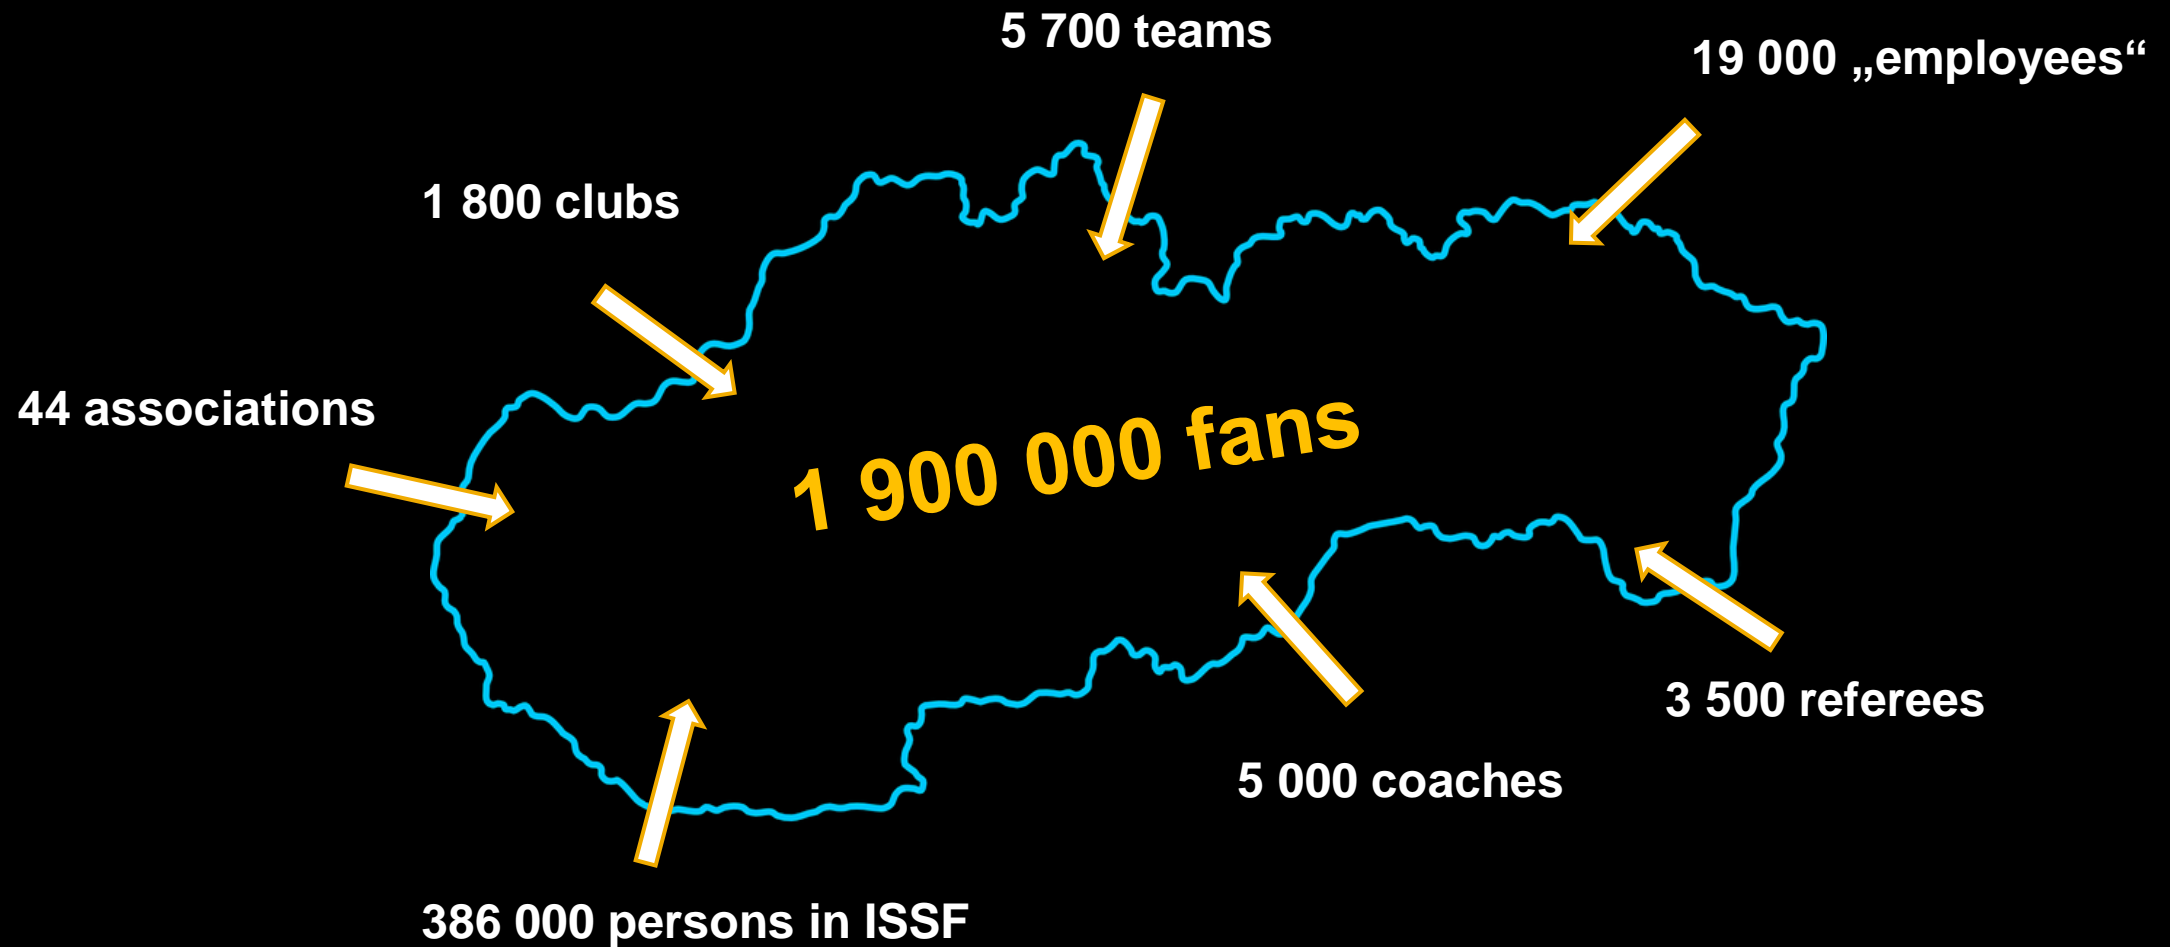

# Slovak Football in 2011

- **complicated communication on every level**
- **different systems, many files, excel worksheets**  
(training and also organisation data)
- **missing basic registers**  
(players, officials, referees, clubs, competitions...)
- **problematic setting, measuring and evaluation of the goals**
- **not connected, non-evaluable**
- **first step - consolidate the data - ISSF**

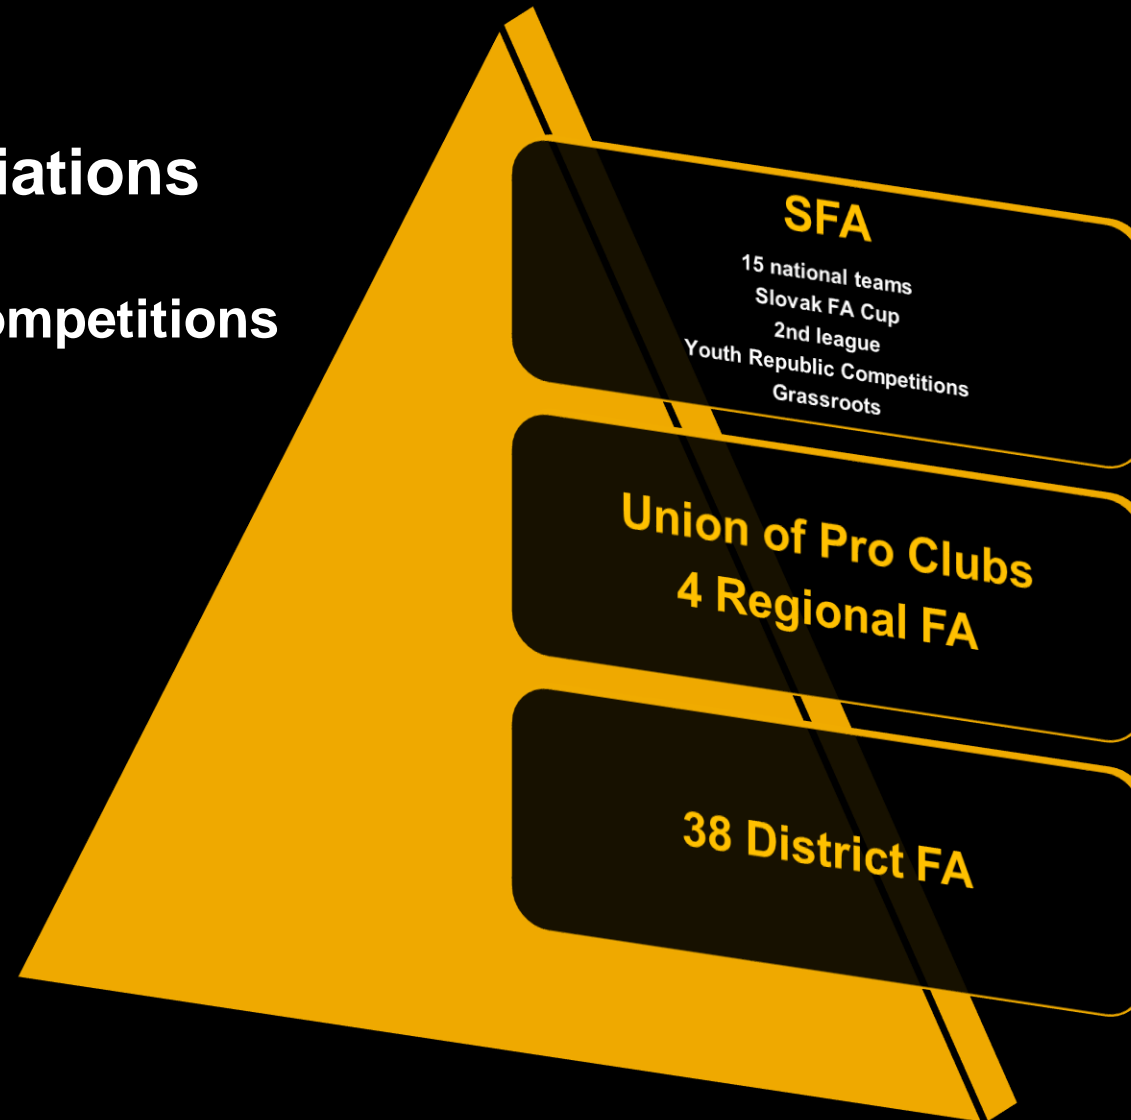

# Slovak Football in 2017

# Slovak Football in 2017

**44 Football Associations**

**57 000 matches in 370 competitions**

# Slovak Football Association

**145** national teams matches

**350 +** projects

... per year
