Digital cameras in development

- Scarcity of camera ownership
- Scarcity of photo’s per person
- Deceptive

Digital cameras in abundance

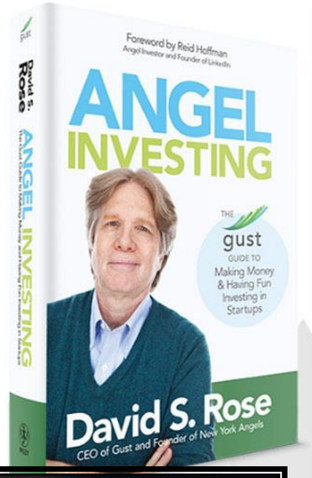
- Abundance of device ownership
- Abundance of photos per person
- Everyone a photographer
- Online sharing
- Shift in problem set, (scarcity to abundance)
- Digitized, disruptive, dematerialized, demonitized, democratized

“Thousands more photographs being taken, I only need 1% to be printed.”

“More *perfect* shots that must be printed”.

“I provide more services.”

“Revenues almost back to pre-digital camera levels.”



"Any company designed for success in the 20th century is doomed to failure in the 21st."

David Rose

Parting Thoughts

- Solving today’s problems / iterating is not enough
- Finance (banking) is not safe from outside parties/disruption
- Fundamental shift in your business model will most likely required
