

Logística Integral en la Gestión de Valores

Fernando Roma – Gerente de Sistemas

SAP NOW

3 en 1

- Integrarnos con Rapipago.
- Poner en marcha la Compañía.
- Transformar la industria.

A photograph of a building facade, likely a warehouse or industrial facility. The building is white with a dark grey or black sign that reads 'DUCIT' in large, bold, sans-serif letters. Below the main sign, there is smaller text that is partially obscured but appears to include 'STIÓN' and 'LODES'. To the right of the main sign, there is a smaller sign with the number '018' above '03M'. The building has a corrugated metal roof and a window with a white lattice pattern. The sky is overcast and grey, and there are some green trees visible in the background on the right side.
