

SAP Ariba CPO Dinner Zurich

24 January 2018 – Papiersaal, Zurich

Agenda

- 18:00-19:00** **Welcome Drinks**
- 19:00** **Welcome Note**
Andreas Wagner, VP, SAP Ariba MEE
- 19:00-19:30** **Digital Trends: Transforming Procurement to become a Value Driver**
Rolf Weiland, Vice President, Business Networks, SAP Ariba
- Rolf Weiland will discuss how the digital economy is revolutionizing the Source-to-Pay process and business models as a whole. Sharing insights from innovations such as Artificial Intelligence, Blockchain, Machine Learning and new applications including Guided Buying, he will inspire you to think of the new ways you can drive value in procurement.*
- 19:30-20:00** **Driving Spend, Process and Policy Compliance with Guided Buying**
Pedro Berrocoso, Operational Procurement Process & Integration Leader, Takeda Pharmaceuticals International AG
- Learn how Takeda, one of the world's largest pharmaceutical companies, uses SAP Ariba's Guided Buying to achieve better spend visibility and compliance in a tightly regulated environment.*
- 20:00-20:30** **Digital Transformation Through Processing of Supplier E-Invoices**
Dr. Christian Schales, Procurement, Head of Process and Performance Management, LafargeHolcim
- At LafargeHolcim e-invoicing is a key component of a larger source-to-settle initiative to drive further business process improvement. In his presentation Christian Schales will share a few best practices and insights on what's next for the company on their digital transformation journey.*
- 20:30-22:00** **Networking Dinner**
-  *Join our annual networking dinner sponsored by our premium partner Bristlecone and find out who is who in Swiss Procurement, meet each other and our experts.*
- Bristlecone is a market leader in consulting clients across industry domains about maximizing the strategic value of supply chain and procurement by effective use of best in class technology partners as SAP Ariba.*
