As a condition of participation at this event, all attendees, sponsors, and others are expected to comply with all health and safety direction, signage or other guidance provided by SAP MEXICO and/or its host or other partner(s) as well as to demonstrate individual personal responsibility regarding their own health. By working together and exhibiting respect for one another, we can all ensure our collective safety.

SAP MEXICO may record my image, photograph, and voice by any technology or means (the "Recording") at the event (the "Conference") and use it in various media for the Conference, advertising, or any other lawful purposes and I release SAP MEXICO from any claims resulting from such use of the Recording.

SAP MEXICO does not authorize anyone to photograph, video, or record talks and presentations made at the Conference, including keynotes and presentations, without the express written permission of SAP MEXICO and the person being recorded. Any persons in violation of this policy or recording for any commercial purpose may be asked to leave the event. This policy applies to any official exhibit displays.

SAP MEXICO shall not be liable for damages of any kind resulting from errors or omissions in its conference materials, nor shall SAP MEXICO be liable for any damages resulting from the use of its conference materials or other information conveyed at the Conference.

SAP MEXICO may provide information or statements about planned or potential products or services features at this event. Such statements are not a commitment of any kind by SAP MEXICO that such features or products or services will ever be made commercially available or

available according to any specific timeframe. SAP MEXICO may change its plans regarding future product or service releases at any time for any or no reason. If I elect to provide feedback or product or service improvement suggestions about SAP MEXICO products or services to SAP MEXICO personnel at the event, I do so freely without any reservation of rights and I place no restrictions on SAP MEXICO as to the use of such comments or ideas.

SAP MEXICO, the place, congress center or otherwise where the Conference will take place (the "Venue") and the city where the Conference takes place (the "City") will not be responsible for any personal injury or property damage arising from or in connection with attendance at the Conference or participation in any Conference activities or events.

In addition, please be advised that the contact information submitted in your registration and during your participation at the Conference will be available to the agency appointed to facilitate the management of the Conference, if any, including through the barcode or QR code printed on your Conference badge. Some exhibitors at the Conference may have badge scanning devices as part of their displays and promotional activities. Also, many smart phones are equipped with code scanners. It is at your discretion to agree to provide your badge to any exhibitor for scanning, which will allow the exhibitor or other attendee to collect your information and use it for future marketing purposes. You agree that SAP MEXICO have no control, responsibility, or liability associated with any exhibitor's direct collection or use of your information. If you do not agree to such collection and use, do not provide, or allow your badge to be scanned.

A mobile application that features all Conference information and enables you to better plan your event and network with other attendees may be available. By default, your personal data is not shared with other attendees. It is at your discretion to download the application and to turn on the network features, if any, in which case we will share basic information about you (i.e. your name, company and email address) with other participants of the Event in order to foster the communication and exchange of ideas.

In connection with the registration and providing access to the Event, we may ask for information about your health for the purpose of identifying and being considerate of individuals with disabilities or special dietary requirements throughout the Event.
