EXHIBITOR RESOURCE GUIDE

PLEASE REVIEW THIS DOCUMENT CAREFULLY

This guide has been developed for companies participating in the exhibitor program. This guide will help answer commonly asked questions and refer exhibitors to sources of further information. For easy reference, all topics are listed in alphabetical order.

Information is subject to change.

Agenda

Conference activities, including the [agenda at-a-glance](#), are available on the conference Web site. Hands-on workshop seats are reserved on a first-come, first-served basis. Registered Full Conference attendees receive advance e-mails announcing the exact date and time when seats may be reserved.

Attendee List

The projected attendance is 6,000. The 2017 attendee demographics are available from your exhibit manager.

While SAP understands how the attendee list would be helpful information to exhibiting companies, it is against SAP data protection and privacy policies to distribute this information. SAP keeps this all information confidential and does not release any registrant data. List brokers who claim to have the attendee database have not obtained it from a legitimate source. Upon request, exhibit managers will provide a one-time list of companies who have registered attendees on September 15. This list will only include company names.

Attire

Suggested dress is casual during the day and casual for the evening events. Expect daytime high temperatures in the low 90s F and lows in the 60s F. It is recommended that you bring a light jacket or sweater with you to the Congress Center, as air-conditioning may be set for maximum room capacities. The Venetian|Palazzo Congress Center (VPCC) is a large facility and comfortable walking shoes are recommended.

Badge Scanners

Badge scanners are no longer provided as a component of the exhibit packages. A badge scanning vendor will be listed in the Exhibitor Manual in August.

Booth Space

Exhibitors will be positioned in alphabetical order in a serpentine manner on the show floor. To be eligible for this positioning order, SAP must receive a signed and completed Exhibitor Agreement and full payment by August 24. Exhibitors whose signed agreement and payment is received after August 24 will be assigned booth space based on availability. SAP retains the exclusive right to revise the show floor plan and/or move exhibitors as necessary. All fees must be paid in full prior to set-up. An e-mail notification with the floor plan and booth numbers will be sent to confirmed exhibitors the week of August 27.

Branding

The SAP Partner Branding Guide as well as other communication guidelines and logo usage information may be found on the [Partner Branding](#) page of the [Exhibitor Information Web Site](#) (EIW).

Business Services

The Venetian Business Center offers a full range of business services and is located on the casino level across from the Bellini ballrooms. Their direct phone number is 702.414.4488.

Cancellation / Reduction of Exhibit Space

For complete details, exhibitors should review the [SAP TechEd Las Vegas Exhibitor Rules and Regulations](#). All exhibitors are required to complete and deliver a signed Agreement indicating the selected exhibit package desired. Exhibitor Packages are limited and an integral revenue stream to offset the costs of the Conference, and any cancellation or reduction of an Exhibit Package after SAP receives the Exhibitor Agreement will result in additional SAP effort and cost and negatively impact the Conference. Therefore Exhibitor understands and agrees that any change in the selected Exhibitor Package after the Agreement has been delivered will be subject to an administrative fee which it agrees SAP may be entitled to, not as a penalty, but as a liquidated damage. For a reduction in the selected Exhibit Package, the administrative fee will be fifty percent (50%) of the difference between the original fee and the fee for the reduced Exhibit Package selected. If Exhibitor cancels the Exhibitor Agreement/Package selected, the administrative fee shall be fifty percent (50%) of the total Exhibit Package fee. The other 50% of the paid fee will be returned, but only in the event written cancellation of the Agreement is received by August 3, 2018. The administrative fee for cancellations received after this date will be 100% and are not eligible for any refund. All notices required, or as may be given pursuant to this Agreement, shall be in writing and shall be deemed duly given when delivered to the Exhibit Manager at the fax number stated on the Agreement.

Catering / Food / Beverage Dispensing

The Venetian|Palazzo Congress Center prohibits food or alcoholic beverages from being brought into the building. The distribution of alcoholic beverages, regardless of type and/or quantity, is the sole responsibility of the Congress Center. All arrangements for the service of food and/or beverages must be made through their catering office. The Exhibitor Manual includes menus.

- For booth catering needs, contact Chetan Toraskar, ctoraskar@sandsexpo.com.
- For meeting room catering needs, contact Cory Brown, cory.brown@sands.com.

Food and beverage sampling in conjunction with specific exhibits may be permitted, but only to the extent they are approved in advance, in writing, by the catering manager. For questions, contact your exhibit manager.

Computer Network Security

All exhibitors must submit the Computer Network Security form in your task list by September 7. This form is in addition to any Congress Center forms/requests for additional network access. For complete details, review 'Exhibit Hardware, Software, Distribution of Material' within the [Exhibitor Program Rules and Regulations](#).

Eligibility to Exhibit

Eligibility to be an Exhibitor in this program is limited to companies that have a current partnership agreement in good standing with SAP. Exhibitors must have no outstanding credit issues or past due amounts with SAP. SAP reserves the right to reject or cancel any application/agreement to exhibit.

Employment Solicitation

Although this conference provides the members of the SAP worldwide community with an important networking opportunity, direct employment solicitation is not permitted. Such exhibitor conduct may result in revoking exhibit privileges in these and future SAP events. Any exhibitor engaging in employment solicitation may have their booth shut down immediately.

Exhibitor Events

Exhibitor activities that conflict with the conference program are not permitted. This includes breakfasts, receptions or any

other activities occurring in Las Vegas during the published conference program schedule. For the purposes of this conference, a conflicting activity is defined as one that assembles over 50 conference attendees in one location. Each exhibitor must complete the Strategy, Positioning and Special Activities online form, for internal SAP use only, regarding their presence and messaging at the conference. SAP reserves the right to cancel any agreement that does not follow these regulations. Wednesday evening has been identified as an open evening. Exhibitors are invited to host their own events on this evening, starting any time after the close of conference activities, this includes the show floor.

SAP will host the following evening events during the week. All registrants are invited to the evening events. No one under 21 will be permitted to attend.

- Tuesday, October 2 – Networking Reception on the show floor – staff your booth: 6:00 p.m.–8:00 p.m.
- Thursday, October 4 – Celebration Night, Omnia Nightclub Caesars Palace: 8:30 p.m.–11:00 p.m.

Exhibitor Appointed Contractor

Exhibitors using an exhibitor appointed contractor(s) (EAC), or non-official show contractor, must complete the EAC Request form by September 7 and submit an insurance certificate for each EAC. The EAC may only provide services that are not designated as "exclusive" to a venue provider.

Note: Because most booths are turnkey, this form will apply mainly to Platinum level exhibitors. However, those Gold Plus, Gold, and Silver level exhibitors who hire performers or hostesses to work in their booth will need to complete the exhibitor appointed contractor form in their console.

Exhibitor Console

The [Exhibitor Console](#) will assist logistics contacts in managing your presence at the conference. Logistics contacts have been sent an e-mail to set up their password. Via the console you will be able to:

- Send registration invitations to staff members
- Purchase additional staff and customer passes
- Purchase marketing opportunities
- Manage the task list customized for their company
- Complete the required forms
- Print exhibitor documentation such as invoices and receipts

Exhibitor Contests and Gifts

Exhibitor plans for any contests, gifts, raffles, etc. must be included in the Strategy and Activities form by September 7. If an exhibitor is unsure if their plans conform to the guidelines, they should check with their exhibit manager. SAP reserves the right to prohibit, limit or discontinue the distribution of any gift, giveaways, raffle or similar promotions and there will be no announcements by SAP of the exhibitor's contest, drawing, or raffle winners.

Contests and drawings, often involve compliance with specific state or local laws or regulations. Any such activities will be subject to the prior written approval of the State of Nevada, the Venetian|Palazzo Congress Center and SAP, 65 days in advance of the event.

Exhibitor activities that conflict with the conference program are not permitted. This includes breakfasts, receptions or any other activities occurring in Las Vegas during the published conference program schedule. For the purposes of this conference, a conflicting activity is defined as one that assembles over 50 conference attendees in one location. SAP reserves the right to cancel any agreement that does not follow these regulations.

Exhibitor Manual

The [Exhibitor Manual](#) includes general information, exhibit package guidelines, order forms for Freeman and more.

Exhibitory

Exhibitors should plan to use the booth components, as provided, and are asked not to bring in their own furniture or exhibit furnishings.

Hotel Reservations

Once an individual completes their registration (refer to the Registration section for more details), a hotel room may be booked. SAP has negotiated discounted hotel room rates for registered attendees at The Venetian and The Palazzo – both conveniently located next to the Congress Center which is in or very near where all conference activities will take place. **We strongly encourage you to register and book hotel accommodations early as we do typically sell out.**

Hotel booking deadline is September 7. After this date, or until the official conference hotel room block has been filled, we cannot guarantee hotel room availability within the conference hotel block at the SAP discounted rate.

Room rates for The Venetian and The Palazzo towers are \$229 plus tax per night. All reservations must be made through the Exhibitor Console and require a valid registration. You will be given the opportunity to book your hotel after you have completed the registration process – do not contact the hotel directly. The Venetian | Palazzo resort fee of \$20 per suite per night includes unlimited local and toll-free calls, in-suite Internet access (WiFi or Ethernet), a complimentary daily newspaper, boarding pass printing, and daily access for two adults to the fitness facility within the Canyon Ranch SpaClub.

All hotel reservations require a credit card guarantee. A deposit equal to one night's room rate and tax will be charged to your credit card immediately after you make your reservation.

If you plan to extend your time in Las Vegas by arriving early or staying late, rooms may be available, at the prevailing discounted room rate based on availability.

Registration substitution or cancellation does not automatically affect a registrant's hotel reservation. The registrant is responsible for contacting the hotel property directly to make any changes or to cancel an existing hotel reservation. A hotel reservation must be cancelled at least 72 hours prior to scheduled arrival date to receive a full refund of the first-night deposit. Registrants who fail to check in on their scheduled arrival date (no-show), forfeit their first-night deposit (room rate, plus hotel tax) and the remaining nights of their reservation will be automatically canceled. SAP is not responsible for any hotel no-show penalty.

Insurance

Exhibitor: In accordance with the exhibitor application signed by the exhibitor, and the Rules and Regulations, the exhibitor is responsible for obtaining sufficient insurance covering all personnel, exhibit material, and equipment. A certificate of insurance must be provided to the exhibit manager by August 17. This certificate must be valid for the duration of move-in, show days, and move-out, and must reflect the required coverage specified in the Insurance Requirement document located in the Exhibitor Manual.

Exhibitor Appointed Contractor: In addition, exhibitors using outside contractors to provide any show service (including performers, hostesses, etc.), must provide the name of such contractors and provide the contractors' appropriate insurance certificates. Please complete the Exhibitor Appointed Contractor (EAC) online form found in the task list and timeline of the Exhibitor Console.

Partner press releases

SAP invites its exhibiting partners to capitalize on the high visibility of SAP TechEd by issuing press releases in conjunction with the conference – preferably prior to the event. All press releases must be approved by SAP in advance, prior to distribution. SAP will also consider including approved partner releases in the SAP Partner News section of its corporate newsroom. The firm deadline for [submitting press releases](#) for SAP approval is August 30. Due to the high volume of materials submitted and the review process itself, press releases received after this date may not be approved in time.

Or, they may contact Venetian Resort Services Department by phone, fax, or email. Please note, after August 25 the reservation Web site will no longer be available.

Wireless Internet Connectivity

SAP has partnered with the Venetian|Palazzo Congress Center and Sands Expo to provide complimentary wireless Internet access. You must supply your own equipment (laptops, tablets) to access the network. To enable us to provide the best possible wireless service, please do not use devices like MIFIs, personal access points, hubs, and switches while at the conference. These will jam the airwaves for attendees, demos, and sessions. To secure the integrity of the wireless service, we strongly suggest that you use the cellular service on your devices.
