Access Fira Gran Via- Metro Line Transit Map

Line 9 Sud runs from the airport to Fira Gran Via, and into the city of Barcelona. It connects with three other major Metro lines, so nearly every area of city has a simpler way to get to Fira Gran Via.

Attending events at Fira Gran Via? Pay attention to the new metro connections. The main station in the venue is called **Fira**.

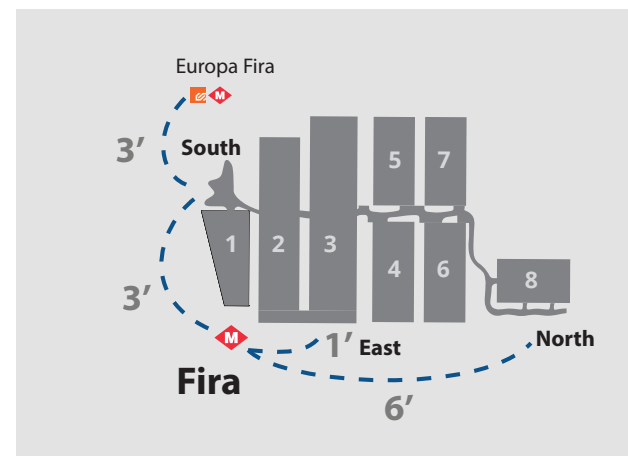

L9 S Fira station is located along Line 9 Sud

Three popular Metro lines connect to L9 Sud:

L1 Line 1 (L1, Red) intersects with L9 Sud at the Torrassa station

L3 Line 3 (L3, Green) intersects with L9 Sud at the Zona Universitària station

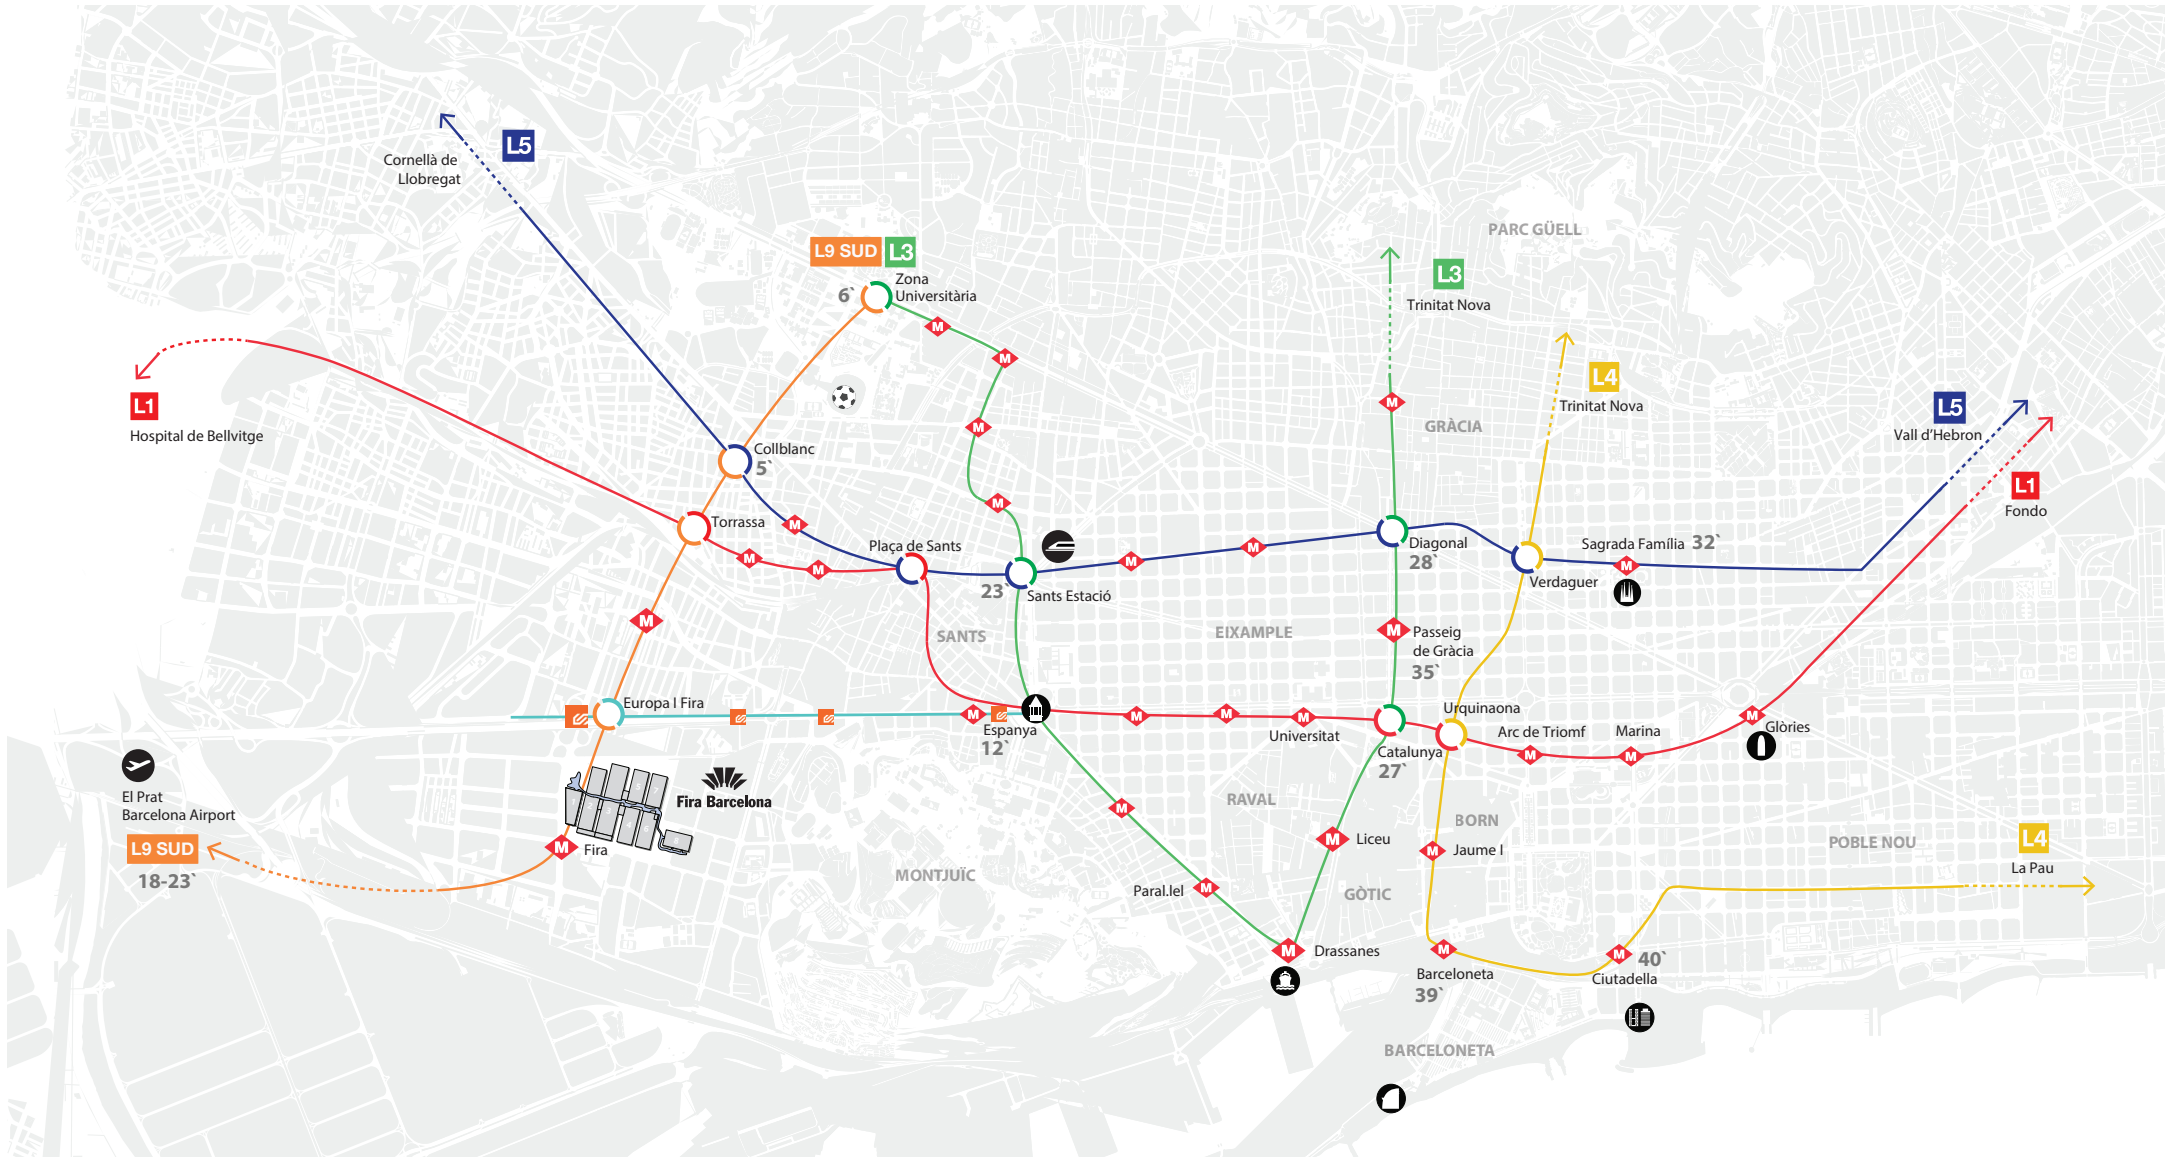

L5 Line 5 (L5, Blue) intersects with L9 Sud at the Collblanc station

Note that if you are going to North or East Access, it is convenient to get off at **Fira Station**, this is why we encourage you to use Line 9 instead of FCG.

Use the Ferrocarrils line (FGC) only if your hotel is near Plaça Espanya but bear in mind that walking to North Entrance takes approximately 12-15min.
