Our Speakers

Peter Engel, Global Solution Owner, SAP Intelligent RPA

Peter is the Solution Owner for SAP Intelligent RPA with more than 27 years' experience in implementing SAP solutions and improve them together with our customers. Peter has worked as a Solution Manager, Presales Expert and Business Architect in diverse Industries with emphasis on SAP Innovations like IRPA, CAI, Machine Learning, Blockchain and S/4HANA.

Hemant Rachh, APJ/GC GTM Lead, SAP Intelligent RPA

Hemant is an intrapreneur delivering value at the intersection of business and technology. A leader with proven success in new business launches, scaling products across geographies, go-to-market with profitable growth, spearheading new initiatives, and managing agile teams. In his current role, he is leading go-to-market and adoption of SAP Intelligent RPA in the APJ & Greater China region. Before the SAP Intelligent RPA, Hemant co-founded a startup "Inversation by SAP" funded by SAP.iO. He has overall 16 years of experience and holds a Master's in Business Administration from NMIMS, Mumbai.

Christopher Aron, Global GTM lead for SAP Integration & Extension Suite

Chris is Vice President, Go-To-Market for Business Technology Platform with a focus on adoption. Chris works across regions and industries with customers, system integrators and technology partners to evangelize and aid adoption of SAP's broad range of platform capabilities. Day to day Chris works across time zones and organizations to achieve strategic and tactical objectives. Close ties with SAP product teams on roadmap prioritization, launching new capabilities and being the voice of the customer are key. Over the past couple of years Chris has led numerous customer council events to facilitate closer collaboration and communication with our broader SAP Business Technology Platform community. Previously Chris has worked at AT&T, CenturyLink and Ericsson. Originally from England, Chris lives in Denver Colorado.
