Our Keynote Speaker – December 2, 2021

Ivo Bauermann - SVP, Head of Customer Value SAP Platform & Technologies SAP SE

Ivo Bauermann is SVP Head of Product Strategy for SAP HANA & Analytics, responsible for the vision and strategy across SAP's database, data warehouse and analytics product portfolio. Previously Ivo was the Head of Product Management for SAP Planning & Analytics and served as the Head of Global Center of Excellence, SAP Analytics. Ivo helps customers transition to modern data & analytics solutions, whether full Software-as-a-Service or in hybrid combination of on-premise and cloud software. He was one of the founders of one of SAP's most succesful native cloud solutions SAP Analytics Cloud, which earned more than 4,000 customers in five years and continues to grow significantly. He also helped create SAP's renewed data & analytics product strategy, which resulted in the introduction of new innovations Data Warehouse Cloud and HANA Cloud to the market.

Ivo has over 20 years of experience in helping customers globally with business analytics and finance transformation, in various product and consulting roles at SAP, Oracle, Hyperion, Peoplesoft, Price Waterhouse and Ernst & Young. He consults with senior business and IT leaders on how to improve business results with solutions that integrate data base platforms, data warehouses, business intelligence, business planning, and machine-learning.

Ivo holds a degree in Financial Economics from Erasmus University Rotterdam, The Netherlands
