PUBLIC

Toros Aledjian

Christopher Aron

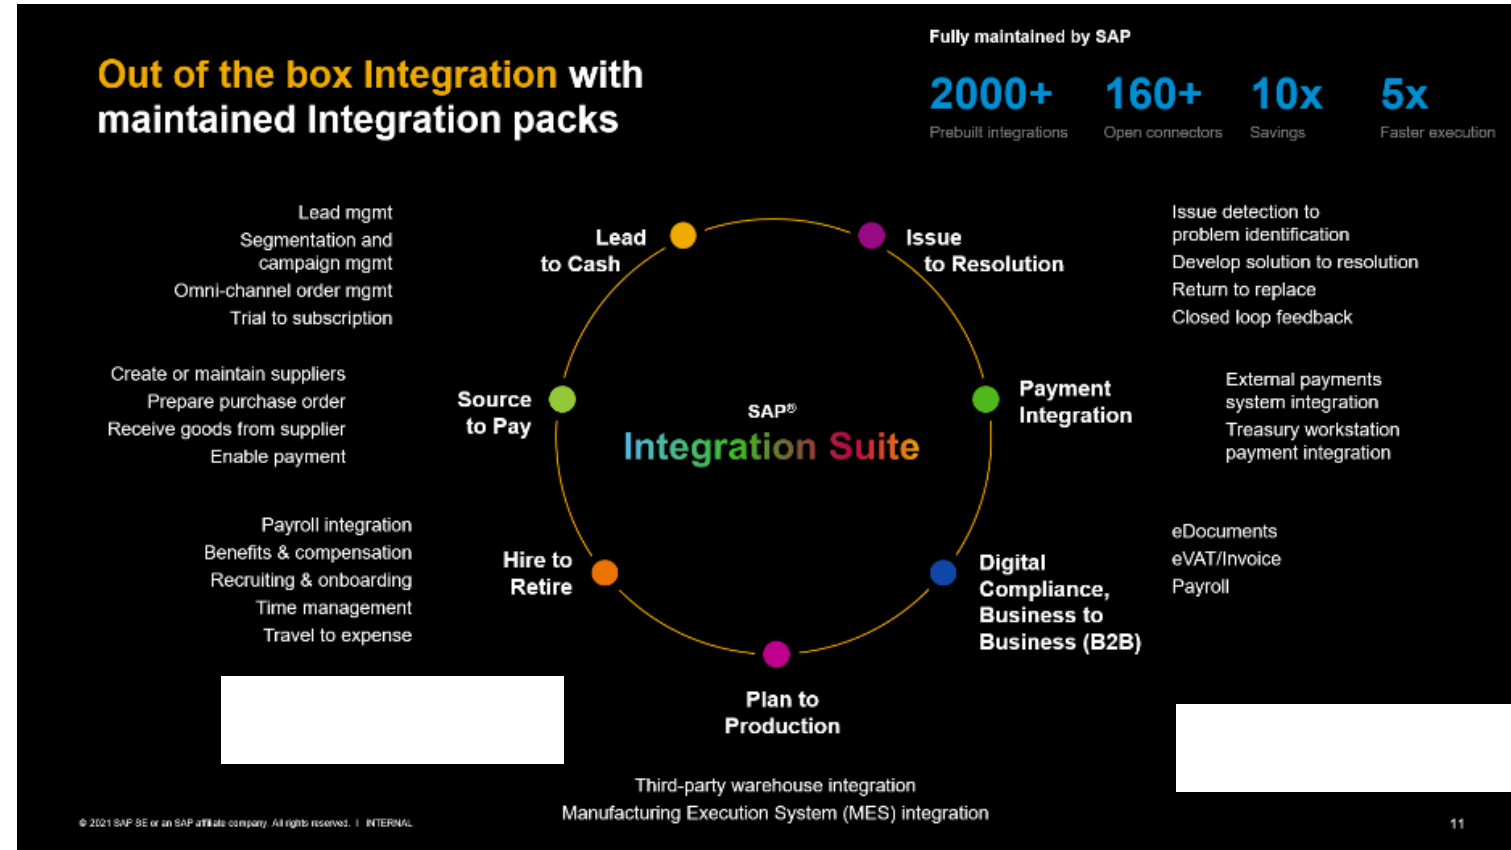

Sougatta Dutta

SAP is pleased to invite you to this Virtual Event on Tuesday September 29, 2021

Attending this Virtual Event will enable you to:

- How to leverage SAP Integration Suite in the context of your Move to S/4HANA
- Best practice use cases that will accelerate your S/4HANA implementation, optimizing your business processes and providing market leading differentiation.
- Hands on demonstration of how to access Integration Suite pre-packaged content in a step-by-step format.
- Best Practice use cases of moving PI/PO content to Integration Suite

Our Keynote Speaker

**Helmut Grimm - Global Vice President | T&I Platform Growth Initiatives
SAP SE**

Helmut Grimm is leading the Platform Growth Initiatives team within the Technology and Innovation Board area at SAP. In his current role he is in charge to identify new approaches and drive projects to lower customer and partner adoption barriers to accelerate their move to the Business Technology Platform.

Helmut brings 20+ years of professional experience including 10+ years in different business development and enterprise architectural roles as well as 3 years in Strategic Portfolio Management. Helmut also led the global SAP Technology Platform GTM Strategy team, where he was responsible to frame and execute strategic programs to boost sales and market perception.
