Customer quotes

“The Transformation Navigator brings road maps to the forefront to engage the business.”

Donald Stinson, Northern Kentucky University, USA

“What I like about SAP Transformation Navigator is that it gives us a framework for our digital transformation journey. It asks questions you might not know to ask. Based on your answers, it charts a path forward.”

Jim Sauceman, Director of SAP ERP Support, University of Tennessee, USA

“The value aspiration aspect of SAP Transformation Navigator helps us have that conversation with the business about what's more important – say, reduced finance cost or improved customer satisfaction. This helps us establish principles and solidify our direction moving forward.”

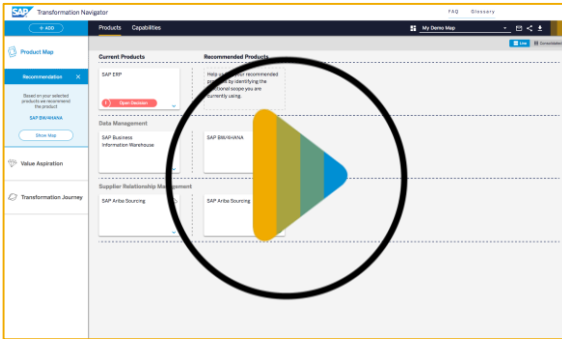

Marc Rosson, Enterprise Architect, Snohomish County Public Utility District, Washington, USA
